

## Boats for sale in cyprus

Cyprus Boat Sales recently opened the first office in Latchi harbour, offering a comprehensive list of services to owners and buyers in Cyprus. We are affiliated to [Medway Bridge Marina Ltd](#), a UK based sales and brokerage operation of some repute.

We are [SEASWIRL](#) main dealers, offering a great range of sports-fishers, both inboard and outboard and always have a comprehensive list of second hand boats, both here and in the UK.

Through Medway Bridge Marina, we are also able to offer the Beneteau Power range to UK based purchasers. If you want to list your boat with a Cyprus based company, but benefit from the added exposure of the UK and European market, then list with us! R
